GHANA

PRESS RELEASE

19th September, 2020

ASHAIMAN PROVISIONAL VOTERS REGISTER CONTAINS THE DETAILS OF THE MEMBER OF PARLIAMENT

Our attention has been drawn to a public statement by the Ashaiman Member of Parliament on the Provisional Voters Register for Ashaiman constituency. The Member of Parliament is on record to have stated that “the names of 21, 000 registered voters are missing from the register”.

The Commission wishes to categorically state that this is **false**.

As with all voter registrations, a number of persons who register may find themselves on the Exceptions List and the Multiples List. In addition, a number of names may also be missing for reasons resulting from incomplete transfer of data.

It is for this reason that the law incorporates and makes provision for the Exhibition Exercise and mechanisms such as the Inclusion process, which allows persons who registered but cannot trace their names on the Provisional Register, to file for Inclusion.

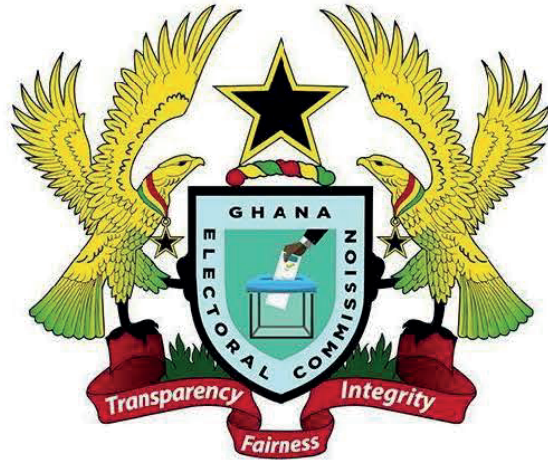

The ongoing Exhibition Exercise that started on **Friday the 18th of September** and which will run up to **Friday the 25th of September, 2020** is meant to solve and fix issues that may arise from the Registration Exercise.

The Member of Parliament is also on record to have stated that his name is not in the provisional register. Again, this is **false**. For the benefit of our stakeholders, we attach a portion of the register for Ashaiman constituency with the photograph of the MP.

The public should therefore disregard his statement, which is a deliberate effort to tarnish the credibility of the Commission and the Voters Register.

The Commission encourages all registered voters to continue participating in the Exhibition Exercise by visiting Exhibition Centres or through the Commission’s SMS Platform by simply texting their Voter ID Card Number to the Short Code 1422.

May God bless our homeland Ghana and make our nation great and strong.
